PROFESSIONAL SUMMARY

Proactive and driven CIT student with a strong passion for computer networking and web development. Skilled in managing multiple priorities and meeting tight deadlines through effective time management. I'm eager to contribute to the world of IT and learn hands-on in a practicum setting, with a focus on advancing skills in networking, or innovative web solutions.

WORK EXPERIENCE

Janitor **05/2024-08/2024**

Teck Metals Ltd Trail, BC

- Maintained building cleanliness and stocked supplies during 12-hour shifts, ensuring a safe environment.
- Worked independently, adhering to PPE and safety protocols.
- Managed cleaning tasks and supplies efficiently while following strict schedules.
- Demonstrated reliability and attention to detail during solo shifts.

Lead Barista **03/2018-08/2023**

Dragonfly Cafe Salmo, BC

- Delivered exceptional customer service in a fast-paced dining environment, maintaining a positive attitude and ensuring a high level of guest satisfaction.
- Maintained cleanliness and organization of dining areas, ensuring compliance with health and safety regulations.
- Managed a high volume of orders efficiently and accurately, improving overall dining experience.
- Worked with a diverse team from various backgrounds, fostering an inclusive work environment to enhance team dynamics.
